

# EAST COAST OFF ROAD PARK MUD BOG RULES 2010

## **All Classes: All Trucks** (After Bog starts, there will be **NO REFUNDS**)

1. Must be 16 years old, with a valid driver's license.
2. Can **NOT** be drinking, or under the influence.
3. No passengers accepted.
4. Must have hook-up in rear, with easy access to hook to a 3/4" clevis.
5. No alcohol, nitrous, or blowers.
6. When in staging, only one crewmember and driver in area.
7. Must remain at all times with truck, in staging. If you are repairing let track official know immediately.
8. You will be disqualified for that run, if we have to call and find you or wait for you to pull to the starting line for more than 5 minutes.
9. You will pull cable. (Except open class, see open class rule #3)
10. Only 2 runs per entry w/same truck. Same truck can only place once in each class.
11. All back beds must be clear of any debris that will fall out onto the tracks while racing.
12. Must have good working brakes.
13. Returning to pit area - 5 mph.
14. **Must have a helmet and safety restraint for all classes.**
15. After making run you must return to staging area. If you go through, come back down the side of pit or staging area. **If you do not, you will be disqualified if you have placed. If you go out of the plane of the boundary poles your run will be disqualified.**
16. 180 second time limit.
17. \$50 protest fee will apply if you protest someone.

## **Payouts**

**3 trucks or less\* - winner takes all**

**4 trucks or more\* - 1st place - 50%, 2nd place - 30%, 3rd place - 20%**

***\*Best of two runs.***

## **Street Division**

1. All trucks must be streetable. May be subject for test drive.
2. Must have lights, and full body, legal exhaust system.
3. Engines may have after market intakes and headers.
4. Intakes can not be higher than 3" above stock. No spacer plates to raise carburetors. Intake carbureator adp. ok.
5. Must have mufflers and pipes. Exhaust should exit behind driver's door.
6. All trucks must pull 16 inches of vacuum at 1,000 rpms. Make an easy access for testing, place in front of intake or have a hose run for vacuum gauge hook-up.
7. Mini trucks with V-8's not accepted.
8. If your truck can not run down highway, don't sign up or ask.
9. After your class is over, the three top trucks are to stay in staging area for vacuum check before receiving any pay out.
10. This is the verification of the winners in street classes.

## **Modified Division**

1. Entries must have stock appearing bodies.
2. Must have roll cages, wear a helmet and seatbelts.
3. Must use factory frames, frames can be modified. No homemade tubular frames allowed.
4. Must have kill switches, which will kill all electrical systems in reach of driver's seat.
5. Seatbelts, helmets, and a 2lb. dry chemical fire extinguisher mounted in reach of driver for modified classes.

## **Open Class**

1. Run what you Brung!
2. No Nitrous, No Blowers
3. Pulling cable is optional, but if you get stuck or break in the hole it is up to you to hook the cable up to your truck.

## **Super Stock**

General: This class is intended for trucks and Jeeps that have been slightly modified for competition but still utilize mostly stock components. They need not be street legal, but they should appear streetable. Any engine, frame, body combination allowed.

### **Body:**

1. Stock steel or OEM equivalent fiberglass body (minimal cutting allowed only for tire clearance).
2. Body must match wheelbase.
3. Firewall can be reshaped, but not cut and relocated.
4. Must retain factory floor pan (1/8 inch aluminum plate in floor or bed ok).
5. Flatbeds must meet tech approval.
6. Windshield required (lexan or equivalent acceptable).
7. Headlights and taillights required but need not be functional.
8. Front bumper not required.
9. Interior cannot be gutted.
10. Single race seat allowed.
11. Driver must sit in stock location.

### **Chassis:**

1. Full uncut factory frame front to rear (must retain 2 stock cross members).
2. Minimum 4 point roll cage required for open top vehicles.
3. Ladder bar suspension allowed (No 4-link or floaters).
4. Must have at least one leaf spring front and rear (fiberglass allowed).
5. Any stock front and rear differentials allowed.
6. Any stock transfer case allowed.
7. Fuel tank and battery may be relocated.
8. Radiator must be located in front of motor.
9. Transmission modifications and trans brakes allowed (must be shielded).
10. 4 wheel brakes, dual master cylinder required.
11. 38.5 down and 44 down tire size classes.

### **Engine:**

1. Any automotive type engine, frame, body combination allowed.
2. Engine must be located in approximate stock location based on firewall location.
3. Aluminum heads allowed.
4. Any single gas carburetor allowed.
5. Cast aluminum intake only (no tunnel rams or sheet metal intakes).
6. Vacuum pumps and dry sumps allowed.
7. Open headers are allowed.
8. No nitrous allowed.

### **Kids Class:**

1. Parent/guardian must ride as a passenger.
2. Separate waiver must be signed by parent/guardian.
3. Stock ignition or 6,000 rpm chip.
4. Age by January 1.

### **V-Tread:**

1. Run what you bring!
2. No nitrous, No blowers.
